

EDUCATION/TRAINING *(Begin with baccalaureate or other initial professional education, such as nursing, and include postdoctoral training.)*

INSTITUTION AND LOCATION	DEGREE <i>(if applicable)</i>	YEAR(s)	FIELD OF STUDY

DOCTORAL RESEARCH TOPIC (if Student):

A. Positions and Honors.

Please list in chronological order previous positions concluding with your present position. List any honors. Include present membership on any Federal Government public advisory committee.

B. Selected Peer-Reviewed Publications

Please list in chronological order. Do not include publications submitted or in preparation.

C. Research Support

List selected ongoing or completed (during the last three years) research projects (federal and non-federal support). Begin with the projects that are most relevant to drug abuse. Briefly indicate the overall goals of the projects and your role (e.g. PI, Co-Investigator, and Consultant) in the research project and the funding agency.

I. Describe how your research experience and focus relates to drug abuse research and/or related fields of mental health, HIV, etc.

II. Describe your experience in conducting research with Hispanic populations. (not applicable for basic scientist researchers)

III. Describe your mentorship history with Hispanic students
